MS PROJECT MANAGEMENT

Recognizing that concentrated studies are a challenge for working professionals during regular weekdays, we have designed MS in Project Management as a weekend program. The classes are offered on Saturdays and Sundays. A total of ten courses (including a 6-credit thesis) take a minimum of 1.5 years to complete. To obtain the MS degree, the student should have successfully completed a minimum of 30 credit hours, and have passed the GAT examination.

The maximum time limit to complete the MS degree is five years.
