## Vice President's (Academics) Message

Congratulations Graduate. You've worked hard to achieve your goals, and now you're on your way to seek new landscapes, new dreams, embark on who you are, embrace life with passion, and keep reaching for your ultimate goals! Let me extend my earnest felicitations to all the graduating students and their parents on this happy occasion of Convocation-2023. It is undoubtedly a hallmark and a significant milestone in your career.

Please don't forget; you are out of a few very privileged people who have obtained this opportunity. Think of those who can never even start their schooling. It must be a proud moment for you. Compare your knowledge & confidence which you have gained at SZABIST viz-a-viz the one you had when you entered this institution. Don't forget your faculty and supporting staff who have helped you make a successful person. The best way to pay back your institution is to show your best abilities and character

pay back your institution is to show your best abilities and character in all walks of life, being its ambassador. Your ultimate aim should be to use your knowledge and skill for the betterment of your community and society. I have almost 10,000 students produced over the period of 40 years of my Academic and Research Career. I used to say to all of them, "THINK GLOBALLY, APPLY LOCALLY."

I also have this realization that due to COVID, several activities could not be done physically. Your institution has given top priority to your health and has tried its best to deliver the best education possible under the circumstances, forcing us to offer online classes for a couple of semesters. I sincerely wish you good luck in all your future endeavours!

**Professor Dr. M. Altaf Mukati**

Vice President (Academics)  
& Dean (Computing & Engineering Sciences)

The Executive Development Centre in SZABIST Islamabad believes in an interactive environment. It emphasizes the need to bring together the industry and academia. All such measures that lead to skill development and professional grooming of students are the primary concerns of EDC. In order to create an environment of learning and development, a series of activities pertaining to career-counseling are carried out to facilitate the students in the best possible way.

The EDC agenda is based on student facilitation and professional advising. It encourages students to seek counsel and to make the most out of it. Student aspirations and future plans are the driving force behind its motivation. For a sustained motivational environment, the concerned office assists the students and suggests in the most appropriate and contemporary ways to achieve the desired career outcomes.

Moreover, the concerned department also makes sure that students feel important while being part of a well-renowned educational institute. To uplift and endorse student identity and stature, EDC office plans to work over professional profiles of our alumni. Furthermore, Alumni reunions and get-togethers also add fuel to the office's overall vision to build a long-lasting relationship between SZABIST and its alumni.
