Student Career Services & Alumni Relations (SCSAR)

How does the Student Career Services & Alumni Relations Department Helps?

The SZABIST Student Career Services & Alumni Relations (SCSAR) department is steadily contributing towards building and developing business, social, media, computing and robotics graduates geared towards becoming the corporate leaders of tomorrow. The Department facilitates SZABIST University students and alumni in all their academic and professional ventures to help them climb the ladder of success.

SCSAR ensures that students have timely access to information on the latest jobs and internship opportunities by acting as a liaison between them and the corporate world. It coaches students to shine in employee assessments by advising them on resume writing and interview skills. It is responsible for arranging career fairs and publishing the annual Graduate Directory to enhance students' networking.

Managing relations with SZABIST University alumni is a priority. It provides a platform to facilitate and streamline interaction among SZABIST University's graduates by building mutually beneficial networks for mentoring, exploring placement opportunities, and organizing guest speaker sessions and seminars. It maintains a thorough and comprehensive online database of the alumni to keep their information updated. The alumni are kept involved the whole year round through different events and social activities. Alumni are regularly invited for mentoring sessions as guest speakers and trainers to mentor and guide students. Online Career Development webinars are also conducted on regular basis to engage SZABIST University alumni locally and internationally. Besides academic engagements, an alumni reunion is organized every year. Its latest initiative is the launch of SZABIST Alumni Global Association (SAGA).
